Using LTL to make programs

- Different experiences because I used lessons on their own.
- Who's going to be there?
- Varying needs of each congregation
- Benefits/Challenges

Brownsville, TX (Temple Beth El)

- Used LTL, [Jews and the Civil Rights Movement, Unit 1, Lesson 1](#) as an adult education program.
- Great discussion with a group ages 75+
- The participants shared their experiences growing up Jewish in the state of Texas
- “Wearing Judaism on the inside”

Williamsburg, VA (Temple Beth El)

- Used LTL, [Jews and the Civil Rights Movement, Unit 1 Lesson 3](#)
- Used the “temple board debate” simulation for a social justice lock-in with 7th-9th graders
- Connected BBYO president with our materials

Shavuot Program with ISJL Fellows

- This month, the ISJL Fellows are going to meet to share lessons of our choice with one another.
- I plan to use a LTL lesson...to be determined!
