Dear Susannah,

I was present at the talk you gave at Clark University. I want to thank you. The issues involved in being a feminist Jewish woman have troubled me for about ten years now. The issues ~~is~~ involved in being a Jewish woman have troubled me since I was about six - that's 31 years!! I've been trying to talk about it and have read everything I could find. It has especially troubled me since my own daughter was born ~~seven~~<sup>seven</sup> years ago. Well, I want to express my gratitude to you.

For all our sakes I wish you well in your work.

Sincerely,  
Stacy Amasal
